1 handle well in the snow.  
 2 Q. Have you ever driven -- have you ever driven that  
 3 Dodge Charger?  
 4 A. Yes.  
 5 Q. And how many times would you estimate you've driven  
 6 that car?  
 7 A. Five maybe.  
 8 Q. Okay. Can you tell me what -- on what occasions you  
 9 would drive the car or why you would drive it?  
 10 A. Once it was because he was driving a truck following  
 11 his sister's car back to his house so I had to drive  
 12 his.  
 13 Q. Okay.  
 14 A. Where we got in some situation where we had two cars  
 15 to drive.  
 16 Q. Okay. And how about the other times?  
 17 A. Similar situations. I think once might have been just  
 18 to the store because his car was parked behind mine.  
 19 Q. So besides situations where you needed -- you needed  
 20 to drive two cars back and maybe a time where you went  
 21 to the store are there any other times you've driven  
 22 that car?  
 23 A. Not that I recall.  
 24 Q. Have you ever been a passenger in the Dodge Charger?  
 25 A. Yes.

Page 27

1 Q. Okay. How many times can you estimate you've been a  
 2 passenger?  
 3 A. Hundreds.  
 4 Q. Okay. So is it fair to say when the two of you  
 5 traveled together it would be in the Charger and not  
 6 your car?  
 7 A. Up until it was seized, yes.  
 8 Q. Okay. And is there any reason why the Charger was  
 9 taken and not your car?  
 10 A. We would take my car in the summer because mine has  
 11 air-conditioning. It took him a while to get his  
 12 air-conditioning working in that.  
 13 Q. So is it your understanding that when he bought the  
 14 car the air conditioning was not working?  
 15 A. If I remember correctly, yes, it was not working.  
 16 Q. Was there anything else not working on the car when he  
 17 bought it?  
 18 A. There were several --  
 19 COURT REPORTER: I can't -- I didn't  
 20 understand you. You broke up.  
 21 THE WITNESS: There were several trouble  
 22 lights on when he purchased the vehicle that were  
 23 fixed, that he fixed.  
 24 BY MR. STELLA:  
 25 Q. So besides the lights anything else?

1 A. Not that I recall, but I know he spent a lot of time  
 2 fixing things on it.  
 3 Q. Okay. Are you aware of what types of things he fixed  
 4 on it?  
 5 A. No, not in detail. I usually wasn't there when he was  
 6 working on it.  
 7 Q. So you said you've been -- you've probably been driven  
 8 as a passenger in that car at least maybe hundreds of  
 9 times?  
 10 A. Probably, yes.  
 11 Q. Okay. Have you ever been in the Dodge Charger when  
 12 the police lights were turned on?  
 13 A. Once, yes.  
 14 Q. Okay. What was that incident?  
 15 A. Maybe twice. Once he was showing them to me when he  
 16 first bought it but that was in the driveway, not as a  
 17 passenger. And at one point he flipped on his lights  
 18 for a motorcyclist who was weaving in and out of  
 19 traffic. It was a two second on and off.  
 20 Q. Okay. And do you know the approximate date of that  
 21 incident with the motorcycle?  
 22 A. No idea.  
 23 Q. Would it have been '17? '18? '19?  
 24 A. Summertime maybe 2018.  
 25 Q. So besides those incidents you've never seen those

Page 29

1 police lights activated?  
 2 A. Never.  
 3 Q. Do you know how to activate them if you wanted to?  
 4 A. I know there's switches on the center console but I  
 5 don't know which ones.  
 6 Q. Do you have any reason -- do you know of any reason  
 7 why Mr. Habich if he says he purchased the car like  
 8 that why he didn't remove those lights at some point?  
 9 A. He didn't see a need to.  
 10 Q. Have you ever been -- have you ever been a passenger  
 11 in the vehicle, whether it was stationary or not,  
 12 where Mr. Habich used the PA system in his car?  
 13 A. Possibly when he first bought it sitting in the  
 14 driveway.  
 15 Q. Okay. So are you saying that you've never been in the  
 16 car at any point where he had -- where he had made  
 17 sounds out of the vehicle's PA?  
 18 A. Not while it was moving, no.  
 19 Q. Okay. How about did he ever use the spotlight that's  
 20 on the car while you were in it?  
 21 A. Not -- not that I recall.  
 22 Q. Does the car have a siren?  
 23 A. Not that I'm aware of.  
 24 Q. Do you know whether or not the car has an in-vehicle  
 25 recording system?

1 city was it?  
 2 A. Livonia. It was speeding.  
 3 Q. This is Livonia Police Department?  
 4 A. Yes.  
 5 Q. Okay. And what -- back to August 1st. At what point  
 6 did you first notice Wayne County Sheriff's deputies  
 7 in the area?  
 8 A. When they pulled up at the end of the driveway, out in  
 9 the street.  
 10 Q. Okay. And what did you see? Was it one car? Two  
 11 cars? What did you see?  
 12 A. Well, it was a car and a truck if I remember  
 13 correctly.  
 14 Q. Did you -- did you see them arrive at the same time or  
 15 was it a different time?  
 16 A. I am not sure. I noticed when they were both there.  
 17 I don't know if they arrived together or within  
 18 minutes of each other.  
 19 Q. Are you aware of whether Mr. Habich has a home  
 20 surveillance system installed in his house?  
 21 A. Yes, he does.  
 22 Q. Okay. Do you know when he installed that?  
 23 A. No, I don't.  
 24 Q. Have you ever watched footage taken from that home  
 25 surveillance system?

Page 43

1 A. Yes.  
 2 Q. Okay. And what footage have you watched from that  
 3 home surveillance system?  
 4 A. I watched the footage on the day that the sheriff's  
 5 deputies came and there's been other times that we've  
 6 looked trying to see animals who walk through the  
 7 property.  
 8 Q. Would the animals automatically trigger the camera  
 9 system?  
 10 A. Any movement will, yes.  
 11 Q. And how many times have you looked for animals on the  
 12 video?  
 13 A. Four or five times.  
 14 Q. Okay. Have you ever watched it for any other purpose  
 15 besides reviewing the security footage from this  
 16 incident and animals?  
 17 A. Not that I recall, no.  
 18 Q. Okay. At some point did the deputies approach the  
 19 house?  
 20 A. Yes.  
 21 Q. Okay. And how did they approach the house?  
 22 A. They walked up the driveway, one of them with his hand  
 23 on his gun.  
 24 Q. Okay. Were you sure it was on his gun as opposed to  
 25 something else on his belt?

1 A. It appeared to be his gun but I don't know that for  
 2 certain.  
 3 Q. So it could have been a taser? Pepper spray?  
 4 A. Possibly.  
 5 Q. Phone?  
 6 A. Possibly yes.  
 7 Q. Okay. Did -- can you describe physically what the two  
 8 deputies looked like?  
 9 A. There was a heavyset older man and a younger man.  
 10 Q. Okay. And what happened after they walked up the  
 11 driveway?  
 12 A. They started looking at the car, at least one of them  
 13 did. The older heavyset man kind of stood back in the  
 14 driveway a little bit and yelled at my dog.  
 15 Q. What did he yell at your dog?  
 16 A. He wanted us to get the dog under control. She was  
 17 already tethered. She wasn't going anywhere.  
 18 Q. What kind of dog breed is it?  
 19 A. She's a Lab mix.  
 20 Q. And how many pounds is this dog approximately?  
 21 A. 80.  
 22 Q. Was the dog barking?  
 23 A. Yes.  
 24 Q. And what happened? Was -- so when the deputies  
 25 indicated to secure the dog what happened?

Page 45

1 A. I had a hold of her collar. I had a hold on her  
 2 collar from the minute they started walking up the  
 3 driveway.  
 4 Q. Is your dog the type of dog that barks at strangers?  
 5 A. Yes.  
 6 Q. So it would have barked at virtually any stranger  
 7 walking up the driveway?  
 8 A. Yes, and generally her tail is wagging because she  
 9 thinks they're coming to pet her.  
 10 Q. Would somebody that didn't know your dog think that?  
 11 A. Probably not unless they really knew dogs and  
 12 understood the wagging tail thing.  
 13 Q. Okay. So after the dog thing what happened next?  
 14 A. The one -- the younger man walked around the car. At  
 15 some point the older gentleman was talking to Gene and  
 16 asked him about an incident on the expressway with a  
 17 red pickup truck.  
 18 Q. Okay. Did you hear that conversation?  
 19 A. Part of it, yes.  
 20 Q. Okay. How far away from this conversation were you  
 21 standing approximately?  
 22 A. Maybe ten feet.  
 23 Q. Okay. What did you overhear about that conversation?  
 24 A. That there was a red truck driving erratically on the  
 25 expressway at an excessive rate of speed.

Page 48

1 Q. Is that what Mr. Habich said or is that what the  
2 deputy said?  
3 A. That's what Mr. Habich said. That's what Gene said to  
4 the deputy. The deputy asked if there was an incident  
5 with a red truck on the expressway or with anyone on  
6 the expressway. That I'm not positive of. I don't  
7 remember exactly.

8 COURT REPORTER: Or anybody on the  
9 expressway?

10 THE WITNESS: Yes. If there was an incident  
11 with anyone on the expressway or with somebody in a  
12 red truck. I'm not sure exactly who brought up the  
13 red truck.

14 You're going out again.

15 BY MR. STELLA:

16 Q. Okay. Anything else -- anything else on that topic  
17 that you overheard?

18 A. That the red truck was -- that Gene had said that the  
19 red truck was riding him very closely on the  
20 expressway, was tailgating.

21 Q. And did the deputy say anything back to him?

22 A. Probably, but I don't recall what.

23 Q. So after that conversation occurred -- how long did  
24 that conversation last approximately?

25 A. Minute or two.

Page 47

1 Q. And what happened after that conversation?  
2 A. The older deputy informed Gene that they were taking  
3 his car and that he could either turn over his keys or  
4 they would drag the car out of the driveway.

5 Q. Did he use the word drag?

6 A. Yes. Yes, they did. They had -- the tow truck was on  
7 its way and they were going to take it whether he  
8 turned over his keys or they would drag it out of the  
9 driveway.

10 Q. Okay. But what happened next?

11 A. I'm not sure 100 percent of the order. They let us  
12 take some of the stuff out of the car because he  
13 wasn't willing to let them to drag it out of the  
14 driveway and damage his car. So he did give them the  
15 keys and they let us take some of the personal  
16 belongings out of the vehicle.

17 Q. Okay. Let me stop you for one second. When you say  
18 that he didn't want them to drag the car out and  
19 damage it, did he say that to the officers or is that  
20 what he told you?

21 A. He may have said that to the officers. I'm not 100  
22 percent positive.

23 Q. But you know he said it to you?

24 A. Yes.

25 Q. Okay. So I'm sorry I cut you off. Sorry. So they

1 allowed him to go in the car to retrieve his  
2 belongings. Does he get his belongings?

3 A. We got a few things out of the car. Some things they  
4 wouldn't let us take.

5 Q. When you say us were you both taking things out of the  
6 car?

7 A. Yes. I was helping.

8 Q. What -- did you take anything specifically out of the  
9 car?

10 A. There was nothing of mine in the car but I helped take  
11 some of the stuff out of the trunk.

12 Q. Okay. So what did he take out of the trunk?

13 A. Just some tools and I don't remember what all was in  
14 there.

15 Q. Was there a lot of stuff in the trunk?

16 A. There was a few things, yeah.

17 Q. Did you see Mr. Habich take anything out of the car or  
18 trunk?

19 A. I know he tried to. He was going to take his laptop  
20 and they wouldn't let him take that. I don't  
21 remember. There was some stuff in the back seat that  
22 he was taking out.

23 Q. Okay. Do you know -- did you see the handicapped  
24 sticker in the back seat somewhere?

25 A. No. The handicapped sticker was in the glove

Page 49

1 compartment. I was the one who put it in there.

2 Q. Okay. Did either of you think to go in the glove  
3 compartment and get the handicapped sticker?

4 A. No. We weren't given a whole lot of time.

5 Q. Did the deputies say you have 30 seconds? I mean why  
6 did you think --

7 A. No. He did not give us a time frame but he had a tow  
8 truck there waiting and he was rushing us along.

9 Q. Okay. So after the belonging retrieval out of the car  
10 what happened next?

11 A. Well, I think that's when the tow truck driver drove  
12 the car out to the street to put it on the flatbed.

13 Q. Okay. What happened next?

14 A. We tried on several -- we made several attempts to get  
15 a case number from the deputies and they said one was  
16 not available. We wanted business cards from the  
17 deputies and they would not give us those either. He  
18 did eventually give us a case number and a phone  
19 number on the back of the card of the tow truck  
20 driver.

21 Q. Okay. So do you know if Wayne County Sheriff's  
22 deputies have business cards?

23 A. That I'm aware of most officers have business cards  
24 but I'm not certain of that.

25 Q. So you wouldn't be surprised if Wayne County Sheriff's
